

## CURRICULUM VITAE OF

**Dr. Reza Tabrizi**

**PhD by research in Epidemiology**

**Assistant professor in Fasa University of Medical Sciences**

### **Personal**

Surname: Tabrizi

First name: Reza

Citizenship: Iran

Address (office): Health Policy Research Center, Shiraz University of  
Medical Sciences, Iran, Postal code: 45794-71348

Telephone (office): +9832309615

Cell Tel: +989178121178

Fax: +9832309615

E-mail: [r.tabrizi66@yahoo.com](mailto:r.tabrizi66@yahoo.com) or [kmsrc89@gmail.com](mailto:kmsrc89@gmail.com)

### **University Education**

2016- 2020 Ph.D by Research in Epidemiology, Shiraz University of Medical Sciences, Iran

2010-2013 Master Sciences (M.S), Epidemiology, Kerman University of Medical Sciences, Iran

2008-2010 Bachelor of Science (BS), Public Health, Kerman University of Medical Sciences, Iran

2006-2008 Associate Degree, Public Health, Semnan University of Medical Sciences, Iran

## **Professional experience**

### **2011-2012**

Student Research Committee, Kerman University of Medical Sciences, Iran

- I got involved in student committee as a voluntary work. My task as head of student committee was the providing of space for training, consulting, approving of students' researches by group of faculty members and senior students.

### **2011**

Research consultant, Research office of public health faculty, Kerman University of Medical Sciences, Iran

- I got involved in consultation in research office as a voluntary work. My task was the providing of information about statistical analysis, research designing and writing article research etc to clients.

### **2014- Present**

Health Policy Research Center, Shiraz University of Medical Sciences, Iran

- I has designated as a research expert my responsibilities are: taking part about the study on communicable disease (CD) such as tuberculosis, hepatitis and on non-CD such as kidney, liver, nutrition, road traffic accident and other subject related to health policy on non-communicable diseases. Also, I was engaged as executive or scientific team in international conferences about woman, traffic accident, family physician which held by Health Policy Research Center.

## **Membership**

Reviewer:

Shiraz E-Med journal

Phototherapy Research

Food & Function

Pharmacological Research

Critical Reviews in Food Science and Nutrition

Journal of International Medical Research

International Journal of School Health

## Publications (peer reviewed)

| Articles   | Authors |
|--|---------|
| Associated factors and standard percentiles of blood pressure among the adolescents of Jahrom city of Iran, 2014   | 5       |
| Reliability, Validity and Factor Structure of the Persian Translation of General Health Questionnaire (GHQ-28) in Hospitals of Kerman University of Medical Sciences                           | 5       |
| The obstacles of teaching evidence based medicine in Iran, from the view point of clinical academics and medical students; a qualitative study   | 2       |
| The Study of General Health Status and Its Affecting Factors On Students of Kerman University of Medical Sciences in 2012  | 2       |
| Prevalence of Vitamin B12 and Folate Deficiencies and Homocysteinemia in Elderly Population of Shiraz, Southern Iran   | 4       |
| The relationship between religious attitude and mental health in students of Shiraz University of Medical Sciences   | 5       |
| Epidemiological Survey on the Status of Obsessive-compulsive Disorder among School-age Children in Iran  | 2       |
| Meeting Report on First International Mobile Health Seminar: Shiraz, Iran, 17th and 18th May 2015  | 6       |
| Prediction of trauma-specific death rates of pedestrians of Fars Province, Iran  | 2       |
| The Causal Factors Associated with the Loving Care of the Mothers of Children with Multiple Disabilities   | 6       |
| Competing Risk Analyses of Patients with End-Stage Renal Disease   | 1       |
| Satisfaction and Dissatisfaction Toward Urban Family Physician Program: A Population Based Study in Shiraz, Southern Iran  | 5       |
| The millennium development goals; A global assignment  | 3       |
| Estimation of the prevalence of chronic kidney disease: The results of a model based estimation in Kerman, Iran  | 1       |
| Knowledge, attitude and practice of general practitioners towards adverse drug reaction reporting in South of Iran, Shiraz (Pharmacoepidemiology report)                                       | 2       |
| Prevalence and risk factors of alcohol and substance abuse among motorcycle drivers in Fars province, Iran   | 11      |
| Effect of chloroquine on some clinical and biochemical parameters in non-response chronic hepatitis C virus infection patients: pilot clinical trial   | 4       |
| Prevalence of malocclusion among Iranian children: A systematic review and meta-analysis   | 4       |
| Denture stomatitis and Candida albicans in Iranian population: A systematic review and meta-analysis   | 3       |
| Evaluation of 30-day unplanned hospital readmission in a large teaching hospital in Shiraz, Iran   | 3       |
| Association between Gestational Diabetes Mellitus and Spontaneous Abortion: A Systematic Review and Meta-Analysis  | 7       |
| Associated Factors and Standard Percentiles of Blood Pressure among the Adolescents of Jahrom City of Iran, 2014   | 5       |
| Can religious beliefs be a protective factor for suicidal behavior? A decision tree analysis in a mid-sized city in Iran, 2013   | 6       |
| Estimation of iron deficiency anemia in Iranian children and adolescents: a systematic review and meta-analysis  | 3       |
| High prevalence of hypertension among Iranian children and adolescents: a systematic review and meta-analysis  | 4       |
| Opium use and risk of lower gastrointestinal cancers: Population-based case-control study in South of Iran   | 11      |
| Association of gastrointestinal functional disorders and migraine headache: a population base study  | 3       |
| The Effects of Vitamin D Supplementation on Glucose Metabolism and Lipid Profiles in Patients with Gestational Diabetes: A Systematic Review and Meta-Analysis of Randomized Controlled Trials | 4       |
| Is Tattooing a Risk Factor for Hepatitis C Transmission?: An Updated Systematic Review and Meta-Analysis   | 5       |
| Burden of traffic accidents among pedestrians of Fars province, southern Iran; estimate of years of life lost in a sample of Iranian population from 2009 to 2013                              | 8       |
| Relationship between religion and school students' road behavior in southern Iran  | 1       |
| Family history of diabetes and the risk of gestational diabetes mellitus in Iran: a systematic review and meta-analysis  | 4       |
| The Effects of Selenium Supplementation on Glucose Metabolism and Lipid Profiles Among Patients with Metabolic Diseases: A Systematic Review and Meta-Analysis of Randomized Controlled Trials | 1       |

|   |    |
|---|----|
| Estimating the prevalence of Positive Tuberculin Skin Test Reactions in General Population and High-risk Groups: A Meta-analysis  | 2  |
| The effects of vitamin D supplementation on metabolic profiles and liver function in patients with non-alcoholic fatty liver disease: A systematic review and meta-analysis of randomized controlled trials                       | 1  |
| Prevalence of sleep quality disorder among Iranian drivers: a systematic review and meta-analysis   | 1  |
| An investigation into the effects of prenatal care instruction at home on breast-feeding self-efficacy of first-time pregnant women referred to shiraz clinics, Iran  | 4  |
| The effects of resveratrol supplementation on biomarkers of inflammation and oxidative stress among patients with metabolic syndrome and related disorders: a systematic review and meta-analysis of randomized controlled trials | 1  |
| The effects of folate supplementation on diabetes biomarkers among patients with metabolic diseases: a systematic review and meta-analysis of randomized controlled trials  | 2  |
| High prevalence of vitamin D deficiency among Iranian population: a systematic review and meta-analysis   | 1  |
| The effects of coenzyme Q10 supplementation on blood pressures among patients with metabolic diseases: a systematic review and meta-analysis of randomized controlled trials  | 1  |
| The Effects of Vitamin D Supplementation on Biomarkers of Inflammation and Oxidative Stress Among Women with Polycystic Ovary Syndrome: A Systematic Review and Meta-Analysis of Randomized Controlled Trials                     | 4  |
| The effects of folate supplementation on lipid profiles among patients with metabolic diseases: A systematic review and meta-analysis of randomized controlled trials   | 1  |
| The effects of synbiotic supplementation on glucose metabolism and lipid profiles in patients with diabetes: a systematic review and meta-analysis of randomized controlled trials  | 1  |
| The effects of coenzyme Q10 supplementation on lipid profiles among patients with metabolic diseases: A systematic review and meta-analysis of randomized controlled trials   | 2  |
| Amniotic Membrane for Pain Control After Cesarean Section   | 5  |
| The effects of melatonin supplementation on inflammatory markers among patients with metabolic syndrome or related disorders: a systematic review and meta-analysis of randomized controlled trials                               | 3  |
| The Effects of Vitamin D Supplementation on Markers Related to Endothelial Function Among Patients with Metabolic Syndrome and Related Disorders: A Systematic Review and Meta-Analysis of Clinical Trials                        | 1  |
| The Effects of Curcumin on Glycemic Control and Lipid Profiles Among Patients with Metabolic Syndrome and Related Disorders: A Systematic Review and Meta-analysis of Randomized Controlled Trials                                | 1  |
| The Effect of Quality Management on Happiness of Police Staff in Shiraz, Iran   | 7  |
| The Effects of Coenzyme Q10 Supplementation on Metabolic Profiles of Patients with Chronic Kidney Disease: A Systematic Review and Meta-analysis of Randomized Controlled Trials  | 4  |
| The effects of alpha-lipoic acid supplementation on glucose control and lipid profiles among patients with metabolic diseases: A systematic review and meta-analysis of randomized controlled trials                              | 4  |
| The effects of inositol supplementation on lipid profiles among patients with metabolic diseases: a systematic review and meta-analysis of randomized controlled trials   | 1  |
| The effects of alpha-lipoic acid supplementation on inflammatory markers among patients with metabolic syndrome and related disorders: a systematic review and meta-analysis of randomized controlled trials                      | 3  |
| The effects of coenzyme Q10 supplementation on lipid profiles among patients with coronary artery disease: a systematic review and meta-analysis of randomized controlled trials  | 2  |
| The effects of vitamin D supplementation on endothelial activation among patients with metabolic syndrome and related disorders: a systematic review and meta-analysis of randomized controlled trials                            | 1  |
| The effects of statin use on inflammatory markers among patients with metabolic syndrome and related disorders: A systematic review and meta-analysis of randomized controlled trials   | 1  |
| Effects of cerebrolysin on functional outcome of patients with traumatic brain injury: a systematic review and meta-analysis  | 8  |
| Gestational diabetes mellitus in association with macrosomia in Iran: a meta-analysis   | 10 |

|  |    |
|--|----|
| The effects of melatonin supplementation on blood pressure in patients with metabolic disorders: a systematic review and meta-analysis of randomized controlled trials   |    |
| The effects of melatonin supplementation on blood pressure in patients with metabolic disorders: a systematic review and meta-analysis of randomized controlled trials   | 5  |
| The effects of curcumin-containing supplements on biomarkers of inflammation and oxidative stress: A systematic review and meta-analysis of randomized controlled trials   | 1  |
| The effects of probiotic and synbiotic supplementation on inflammatory markers among patients with diabetes: A systematic review and meta-analysis of randomized controlled trials   | 1  |
| The effects of mobile health interventions on lipid profiles among patients with metabolic syndrome and related disorders: A systematic review and meta-analysis of randomized controlled trials                           | 4  |
| The effects of quercetin supplementation on lipid profiles and inflammatory markers among patients with metabolic syndrome and related disorders: A systematic review and meta ...   | 1  |
| Meta-analysis of the correlation between personality characteristics and risky driving behaviors   | 5  |
| Vitamin D Status in Women with Pelvic Floor Disorders: A Meta-Analysis of Observational Studies  | 5  |
| The effects of curcumin on weight loss among patients with metabolic syndrome and related disorders: a systematic review and meta-analysis of randomized controlled trials   | 3  |
| The effects of ginger intake on weight loss and metabolic profiles among overweight and obese subjects: A systematic review and meta-analysis of randomized controlled trials  | 2  |
| The impact of diabetics and smoking on gender differences of smear positive pulmonary tuberculosis incidence   | 3  |
| The Effects of Resveratrol Supplementation on Endothelial Function and Blood Pressures Among Patients with Metabolic Syndrome and Related Disorders: A Systematic Review and Meta-Analysis of Randomized Controlled Trials | 4  |
| Gastric cancer in patients with gastric atrophy and intestinal metaplasia: A systematic review and meta-analysis   | 2  |
| The effects of vitamin D supplementation on muscle function among postmenopausal women: a systematic review and meta-analysis of randomized controlled trials  | 1  |
| The effects of caffeine intake on weight loss: a systematic review and dos-response meta-analysis of randomized controlled trials  | 1  |
| Prevalence of BRAF gene mutation in samples of primary and metastatic colorectal cancer: A meta-analysis   | 6  |
| ncidence Rate of Gastric Cancer Adenocarcinoma in Patients With Gastric Dysplasia  | 3  |
| Socioeconomic status and stroke incidence, prevalence, mortality, and worldwide burden: an ecological analysis from the Global Burden of Disease Study 2017  | 8  |
| Association between Adult Attention-Deficit/Hyperactivity Disorder and Driving Behaviors among Iranian Motorcyclists   | 6  |
| Obstetrics Healthcare Providers' Mental Health and Quality of Life During COVID-19 Pandemic: Multicenter Study from Eight Cities in Iran   | 14 |
| Developing and Validating a Measurement Tool to Self-report pedestrian Safety-related Behavior: The Pedestrian Behavior Questionnaire (PBQ)  | 8  |
| The effects of resveratrol intake on weight loss: a systematic review and meta-analysis of randomized controlled trials  | 1  |
| A systematic review and meta-analysis on the prevalence of KRAS gene mutation in samples of colorectal cancer  |    |
| A systematic review and meta-analysis on the prevalence of KRAS gene mutation in samples of colorectal cancer  | 7  |
| Citizens' Expectations from Government in Response to COVID-19 Pandemic: A Qualitative Study in Iran   | 6  |
| A multivariate multilevel analysis of the risk factors associated with anthropometric indices in Iranian mid-adolescents   | 4  |
| The role of cytokine profile and lymphocyte subsets in the severity of coronavirus disease 2019 (COVID-19): a systematic review and meta-analysis  | 2  |
| The effect of voglibose on metabolic profiles in patients with type 2 diabetes mellitus: A systematic review and meta-analysis of clinical trials  | 2  |

|  |   |
|--|---|
| Laboratory findings of COVID-19 infection are conflicting in different age groups and pregnant women: a literature review  | 4 |
| The effects of counterforce brace on pain in subjects with lateral elbow tendinopathy: A systematic review and meta-analysis of randomized controlled trials   | 7 |
| Hookah Smoking: A Potentially Risk Factor for First-Ever Ischemic Stroke   | 1 |
| The Relationship between Adult Attention-Deficit/Hyperactivity Disorder and anxiety, Depression, Stress and Sleep in Professional Drivers in southern Iran   | 5 |
| Reliability and Validity of Simple Stroke Food Frequency Questionnaire (SS-FFQ) for Nutrition Monitoring in Patients with Acute Ischemic Stroke  | 1 |
| Burnout among Nurses during Coronavirus Disease 2019 Outbreak in Shiraz  | 6 |
| Effects of Ginkgo biloba intake on cardiometabolic parameters in patients with type 2 diabetes mellitus: A systematic review and meta-analysis of clinical trials  | 1 |
| A Comprehensive Systematic Review and Meta-analysis on the Risk Factors of Stroke in Iranian Population  | 1 |
| The effects of beraprost sodium on renal function and cardiometabolic profile in patients with diabetes mellitus: a systematic review and meta-analysis of clinical trials   | 2 |
| revalence of HBV and HCV Infections in Iranian Blood Donors; An Updated Systematic Review and Meta-Analysis  | 4 |
| Intrapartum ultrasound measurement of angle of progression at the onset of the second stage of labor for prediction of spontaneous vaginal delivery in term singleton pregnancies: a systematic review and meta-analysis | 8 |
| Is driver education contributing towards road safety? a systematic review of systematic reviews  | 5 |
| Effects of Diacerein Intake on Cardiometabolic Profiles in Type 2 Diabetics: A Systematic Review and Meta-Analysis of Clinical Trials  | 2 |
| The effect of L-arginine supplementation on maximal oxygen uptake: A systematic review and meta-analysis   | 3 |
| The Association of Inflammatory Biomarker of Neutrophil-to-Lymphocyte Ratio with Spontaneous Preterm Delivery: A Systematic Review and Meta-analysis   | 3 |
| The impacts of health transformation plan on physiotherapy sector in Iran: a qualitative study using five control knobs  | 4 |
| The association between the score of adult attention-deficit/hyperactivity traits and risky driving behaviors with alcohol intake and narcotics consumption among Iranian motorcyclists                                  | 8 |
| Gestational diabetes mellitus and inflammatory biomarkers of neutrophil-lymphocyte ratio and platelet-lymphocyte ratio: a systematic review and meta-analysis  | 2 |
| The effect of motorcycle safety campaign on helmet use: A systematic review and meta-analysis  | 3 |
| Are the FTO Gene Polymorphisms Associated with Colorectal Cancer? A Meta-analysis  | 2 |
| Long non-coding RNA H19 expression and functional polymorphism rs217727 are linked to increased ischemic stroke risk   | 6 |
| Expectations of citizens from the government in response to COVID-19 pandemic: a cross-sectional study in Iran   | 4 |
| Effect of Liraglutide on Cardiometabolic Risk Profile in People with Coronary Artery Disease with or without Type 2 Diabetes: A Systematic Review and Meta-Analysis of Randomized Controlled Trials                      | 3 |

### **Attended Short Courses, Workshops**

- 2012, Scientific writing- Kerman University of Medical Sciences, Iran.
- 2010, Literature review in medical database- Kerman University of Medical Sciences, Iran
- 2012, Working with STATA Software, Kerman University of Medical Sciences, Iran.
- 2012, Sample size determination, Kerman University of Medical Sciences, Iran.
- 2012, Management of long documents by Word office soft ware, Kerman University of Medical, Iran.
- 2010, Working with GIS Software, Kerman University of Medical Sciences, Iran.
- 2012, Searching and retrieving scientific information on the web, Kerman University of Medical Sciences, Iran.
- -2012, How to have a personal library? Use of Endnote to manage scientific information and references, Kerman University of Medical Sciences, Iran.
- 2012, Paper writing on qualitative research paper , Kerman University of Medical Sciences, Iran.
- 2012, Paper writing on quantitative research , Kerman University of Medical Sciences, Iran.
- 2012, Intellectual property rights and publication ethics, Kerman University of Medical Sciences, Iran.
- 2012, Steps to submit a manuscript to scientific international journals via internet, Kerman University of Medical Sciences, Iran.
- 2012, How to design a questionnaire, Kerman University of Medical Sciences, Iran.
- 2012, R Statistical Software, Kerman University of Medical Sciences, Iran.

### **Teaching Experience:**

- 2011, working with GIS Software workshop, Esfahan University of Medical Sciences, Iran.
- 2011, research methodology workshop, Kerman University of Medical Sciences, Iran.
- 2012, advanced research methodology workshop, Kerman University of Medical Sciences, Iran
- 2015, proposal writing, Shiraz University of Medical Sciences, Iran.
- 2017, working with Endnote Software workshop, Shiraz University of Medical Sciences, Iran.
- 2017, Types of observational studies, Shiraz University of Medical Sciences, Iran.
- 2017, Types of interventional studies, Shiraz University of Medical Sciences, Iran.

### **Computer Skill &Statistical Packages**

- STATA
- R
- SPSS
- GraphPad
- Microsoft Package (Word, PowerPoint, Excel, Access)

- Endnote
- GIS

## **Linguistic Skill**

English: moderate working proficiency
